Data Analyst | Power BI Developer | Business Analyst

Vadodara, Gujarat, India | +91 97279 52878 | daxeshdatabanalyst@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Data Analyst and Power BI Developer with 5+ years of professional experience, including 3+ years in analytics, MIS reporting and data quality across payroll, workforce management, FMCG research and manufacturing operations. Experienced in end-to-end Power BI delivery - data modelling, DAX, Power Query (M) ETL and executive dashboards - supported by SQL and Advanced Excel automation of recurring reports. Portfolio of six published Power BI projects with live interactive reports across manufacturing, supply chain, sales, healthcare and HR analytics.

CORE SKILLS

Business Intelligence: Power BI Desktop & Service, interactive dashboards, KPI scorecards, report publishing, data storytelling
Data Modelling & Analysis: DAX measures, time intelligence, star & snowflake schema design, fact and dimension modelling
Data Preparation & ETL: Power Query (M), data cleansing, transformation, validation, ERP / HRIS data extraction (ADP)
Databases & Querying: SQL, MySQL, relational database concepts, data extraction for reporting
Excel & Reporting: Advanced Excel, Pivot Tables, report automation, MIS & exception reporting, trend and variance analysis
Business Skills: Requirement gathering, stakeholder communication, data accuracy & quality control, documentation, collaboration

PROFESSIONAL EXPERIENCE

Data Associate (Data Analyst – Reporting & MIS) – Relay Human Cloud Pvt. Ltd. (Client: Prime Communication)

Nov 2025 – Present | Ahmedabad, India

- Build and maintain recurring payroll and WFM (workforce management) reports and dashboards using Power Query and Advanced Excel, automating manual reporting and improving business visibility.
- Extract, clean and validate client employee data from ADP (HRIS / ERP) for accurate, decision-ready payroll and operations reporting.
- Investigate data discrepancies and time-correction requests, coordinating with internal teams to resolve issues and maintain reporting accuracy.

Data Associate – Numerator India Pvt. Ltd.

Mar 2023 – Nov 2025 | India

- Conducted market research and data acquisition for the US FMCG market, maintaining high data accuracy through quality control and strict adherence to SOPs and timelines.
- Partnered cross-functionally to resolve data queries and keep reporting workflows on track, converting raw data into business-ready outputs.
- Recognised with the Elite Performance Award, 2x Star of the Month and Star of the Quarter for consistent quality and delivery.

Contractual Clerk (Data Entry & Operations) – New Generation Security Pvt. Ltd.

Mar 2020 – Feb 2023 | India

- Entered and updated customer data in banking software for savings accounts, fixed deposits and loan applications as per bank procedure.
- Maintained Excel-based payment and action trackers and handled customer queries over email.

KEY PROJECTS – POWER BI

Manufacturing OEE & Analytics Dashboard | [GitHub](#) | [Live Report](#)

Four-page executive suite for a cable & conductor plant tracking OEE, downtime, scrap and on-time delivery on a star-schema model.

EdTech Sales & Counselor Performance Dashboard | [GitHub](#) | [Live Report](#)

Sales dashboard tracking lead conversion, drop reasons, enrolment against target and counselor efficiency by branch.

Samsung Supply Chain & Logistics Dashboard | [GitHub](#) | [Live Report](#)

Enterprise dashboard for suppliers, inventory, shipments and customers with perfect order %, inventory turnover and custom navigation.

AdventureWorks Business Intelligence Dashboard | [GitHub](#) | [Live Report](#)

Retail BI solution covering revenue, profit, orders and return rate with geospatial, product and customer deep-dive views.

Healthcare Provider Dashboard | [GitHub](#) | [Live Report](#)

Provider analytics on billing, treatment cost, insurance coverage versus out-of-pocket expense and department revenue.

HR Workforce Analytics Dashboard | [GitHub](#) | [Live Report](#)

HR dashboard on headcount, service years, job levels and satisfaction with promotion-eligibility and retrenchment-risk analysis.

EDUCATION
